Third-year Interior Design student at Kwantlen Polytechnic University with a 4.24 GPA and Dean's Honour Roll recognition. Recipient of the KPU President's Scholarship, a full four-year award granted to the university's top six incoming students. Experienced in conceptual design, space planning, technical drawing, and visual communication. Seeking a Summer 2027 Interior Design Internship.

SELECTED PROJECTS

EXHIBITION DESIGN

- Developed an immersive exhibition concept exploring body modification through spatial storytelling.
- Created concept development, programming, elevations, and materials boards.

RESIDENTIAL DESIGN

- Designed single-family residential projects focused on concept and client experience.
- Produced floor plans, elevations, sections, renderings, details, material boards, and schedules.

TECHNICAL DOCUMENTATION

- Produced stair construction drawings including plans, sections, and a tread assembly detail.
- Demonstrated technical documentation and detailing skills.

FURNITURE DESIGN

- Designed a custom chair exploring mood, ergonomics, and material.

PROFESSIONAL EXPERIENCE

MENTAL HEALTH WORKER · JUNE 2024 TO AUGUST 2025

New View Society

- Built connection with seniors through community involvement, socialization, and assistance with daily tasks, supporting aging in place and housing stability.
- Provided free weekly at-home services and weekly and monthly community programs.
- Organized special events focused on social connection and mental health support.

BARISTA · SEPTEMBER 2022 TO MAY 2024

Starbucks

- Provided customer service in a fast-paced team environment.
- Strengthened communication, adaptability, and collaboration skills.

VOLUNTEER EXPERIENCE

VOLUNTEER ASSISTANT DIVER · MAY TO JUNE 2024

International Volunteer HQ

- Engaged with UN Sustainable Development Goal 14 as a volunteer assistant open water scuba diver.
- Transported diving equipment and completed two one-hour dive sessions daily.
- Collected and removed trash and pollution from the ocean floor.
